Order Code: KYBAC5005-USBBLK (USB Model), KYBAC5005-PS2BLK (PS/2 Model)
Accuratus 5005 - Professional Wired Mini Size Keyboard with Optical Trackball and Left / Right Mouse Buttons

About

The Accuratus 5005 mini trackball keyboard provides all the tools of a large keyboard and mouse in a very tidy package.

The in-built optical trackball and contoured left / right control buttons provide full 360 mouse functionality without wasting desk space. The number pad is ideally highlighted in a blue font and is fully incorporated within the keyboard.

The Accuratus 5005 is the ideal companion for any busy user who needs all the tools without cluttering their desk space.
