

# Accuratus Portable Wearable Recorder

**BY ACCURATUS**

Order Code: BC-CLIP-S02  
Accuratus Portable Wearable Recorder

## About

The Accuratus Wearable Recorder is an ideal tool for recording video or audio while on the go. Clip it on to your outfit, wear it as a lanyard, or simply hold it and use it as a portable audio recorder - the choice is yours.

The Accuratus wearable recorder can be applied to many different situations where discreet recording is necessary, such as interviews and business meetings.
