Accuratus Contour White - USB Type A/C Sculptured Ergonomic Split Key Multimedia Keyboard with Reverse Tilt PC & Mac

About

The hugely popular Contour keyboard from Accuratus is now available in WHITE with a PC and Mac layout! It is designed to provide a comfortable and dynamic hand pronation position with the ergonomic reverse tilt, achievable using the fold out feet at the front of the keyboard, split keys and sculpted design. The natural relaxed placement of the hands on the keyboard and the wide wrist rest are ideal for those who want to type in comfort with a neutral wrist position. With a USB type A wired connection and an included A to C adapter, the contour white can connect with a multitude of devices. Pair the Contour with optional Accuratus M100 white mouse for an excellent looking desktop set.

Specifications

- USB type A & Type C wired 'plug and play' connection (Type A to C Adapter included)
- White case and keys (other colours made on special request)
- Sculptured and contoured design, shaped to fit the natural position of your hands and finger tips
- Split key keyboard layout, offering a natural arc typing position for wrists to aid with RSI and Carpel Tunnel Syndrome.
- Integrated wrist pad shaped to follow the ergonomic design of the keyboard and to support wrists comfortably.
- Designed with reverse tilt feet fitted at the front of the keyboard, meaning the keyboard angle can be set to a subtle reverse tilt so that wrists are in a natural position
- Low profile keys which are tactile and have a high life cycle membrane key mechanism offering excellent durability and feel
- Compact UK Windows and Mac key layout with integrated multimedia functions (other language layouts available on request)
- Keycap printing is UV coated, just like on laptop keyboards to offer a very long life and prevent character wear
- Clear easy read key legends
- FN key to multiplex some keys, eg the multimedia functions
- Integrated multimedia keys for Media Player, Volume control, Media control and playback, E-mail, Internet, Calculator and PC Lock. The Windows keys functions can also be locked via a simple shortcut if required.
- Optional matching mouse also available (not included), the Accuratus M100 White. Part Number : MOU-M100-MACWHS. The Accuratus 100 keypad has an integrated wrist pad and other useful shortcuts including Backspace and tab
- White box environment friendly packaging
- EAN 13 Barcode No. 5060756099623, Commodity code : 8471606090
- 1 Year Warranty
