Accuratus Image Set - Slim Full Size Keyboard with Piano Glossy Design & Media / Internet Keys & Matching Mouse

## About

The Image keyboard is the perfect addition to your desk, offering various colours, style and precision this set is a joy to use on a daily basis. In a piano gloss finish with a matching mouse, this set looks great in any environment, such as in the home, office or school. The Image keyboard has a full size UK layout with integrated numeric keypad and multimedia keys, perfect for all day use. The Image has modern square tactile soft touch keys that are also framed, so that keys cannot be easily pulled off (especially good for disruptive school children). The key legends are even laser etched so that they have an extremely long lasting life and don't wear away like most regular keyboards. Available in various colours the Image keyboard will fit perfectly into your lifestyle, home, office or corporate identity...
