## About

The Image RF mouse is designed to compliment the well established wired Image mice in exactly the same glossy colours but with no wires and a new slimline design. The Image RF blends style and precision into a mouse you can use on a daily basis. The Image mouse is perfect for both left or right handed people. It has a low profile one piece button assembly, giving the product an almost perfect balance. Available in almost any colour the image mouse will fit perfectly into your lifestyle, get a match for your laptop, your office or your corporate identity...
